

Leigh C.E. Primary School & Leigh C.E. Nursery

Dear families,

I hope that you have all had a good week. The children have enjoyed yet another busy and enjoyable one in school filled with various activities. Children in Y3/4 had the pleasure of Mrs Smith's company this week where she delivered a superb history workshop. The children were able to observe and handle some amazing artefacts to help them find out about life in Roman times. Children in Y5/6 continue their work on ancient Egypt and impress me each day with their mature attitudes and exemplary behaviour! Children in Reception have been incredibly busy using programmable toys and creating story maps. Children in Year 1/2 continue their study of the weather and are incredibly grateful to Mr Gledhill for the amazing windmill that he made for them to measure wind speed and direction. Thank you Mr Gledhill!

Throughout the week, I have carried out some reading observations in a number of classes and have been impressed with the children's reading and comprehension skills. Other leaders in school have been monitoring books in all classes where they have been able to see some good progress so far this year. Well done to all our children.

I am very aware that many families have received notifications this week that their child has been a covid contact. I continue to thank you for your co-operation with the testing. At present, as cases are still high (and continue to increase) within our school our risk assessment will remain the same. Staff will continue to wear face coverings in communal areas and on the playgrounds. We kindly ask that you continue to wear a covering whilst on the school premises.

We have just finished our celebration assembly which I must say is always a highlight of the week. We celebrated some great work and even better attitudes. One young man in Y6 chose to carry out a fabulous research project about Ancient Egypt whilst off school with illness. We also celebrated a young man in Y2 who thought of his own idea to raise £100 for charity. Our children continue to make us proud every day!

As always, thank you for your ongoing support and understanding.

Have a wonderful weekend with your lovely children.

Best wishes,

Mrs Oxborough
