

Leigh C.E. Primary School & Leigh C.E. Nursery

Dear families,

I hope that you have all had a good week. The children, as always have been really busy and very productive. I had the pleasure of joining the Y4 children at the swimming pool yesterday and was astounded at the progress made since my last visit. Lots of children are swimming with super technique, many are swimming with determination and perseverance. I was very proud of each child. After half term I look forward to seeing how our Y5 and 6 children are progressing.

This week has been 'Safer Internet' week. All staff have attended Safer Internet training and children throughout school been learning about how to stay safe online. It is vitally important that we all help our children to keep safe and use the internet safely and responsibly. Useful guidance for parents can be found following the link below.

<https://saferinternet.org.uk/guide-and-resource/parents-and-carers>

Just a little reminder regarding school uniform. One pair of stud earrings is allowed in school. Please ensure that your child does not wear hoop earrings as these do pose a safety risk. Please can we also ask that children wear smart school shoes each day, trainers are only allowed on PE days. Thank you.

You may remember earlier this year we introduced the concept of Tribal classrooms. Children in each class chose their 'Tribe' name and agreed on their values. We have seen some great improvements in attitudes and behaviour since introducing this. Some classes have now earned enough Tribe points to have their treat afternoon. Last week, the Sunshine Tribe enjoyed a movie afternoon with popcorn. Next week, the Dragons and Eagles will visit the local park for the afternoon. They are very much looking forward to enjoying the green space and fresh air. Mrs Hughes and Mrs Greaves have some great activities lined up. Well done to these three Tribes.

Just reminder of our new weekend covid reporting procedures. Please report a positive case by;

- Sending a private message to the 'on call' member of SLT on class Dojo
- Emailing the covid watch inbox on icecovid@thewings.org.uk

Please DO NOT contact your child's class teacher on Dojo their accounts are set to silence over the weekend so that they can enjoy well-deserved time with their families and loved ones. Covid-watch staff on call this weekend: **Mrs Barlow**

As always, thank you for your ongoing support and partnership.
