

Leigh C.E. Primary School & Leigh C.E. Nursery

Dear families,

I hope you are well and have had a good week. The children have had another good week and have particularly enjoyed taking part in a range of activities to celebrate British Science Week. Even our youngest children in our Nursery have joined in and it has been a delight to see them planting beans and seeds with great enthusiasm. Our after-school gardening club started on Monday and the children spent their first session making plans for our different garden areas. They are looking forward to developing an allotment and wildlife garden. They will also ensure that Lauren's garden remains beautiful throughout the year.

I was very impressed with how hard the children worked to clear the spaces and prepare the ground in readiness for planting next week.

Children in Year 1 and 2 are spending the day at RHS Bridgewater Gardens in Salford today. They will take part in planting workshops, enjoy the beautiful garden areas, share a picnic and finish the day with some active woodland play. It sounds like the perfect day with lots of creative learning. Thank you to all our families who have joined the children to help with this visit. We really appreciate it!

Just a reminder that we will be holding our Spring term parent - teacher review meetings throughout the week commencing 28th March. These meetings provide an opportunity for teachers to talk about your child's progress and next steps. You will also have the opportunity to ask any questions. Please liaise with your child's class teacher via class Dojo to arrange an appointment.

Mrs Parrington is arranging an Easter raffle, so we are looking for donations for our hamper. Please bring any donations for the raffle into school by Monday 28th March. Tickets will go on sale from Monday, so do look out for our Year 6 helpers each morning. All money raised will go towards school funds to help with our gardening projects and new outdoor seating for the children.

As part of Wellbeing week, the children have enjoyed lots of physical activity. They have made a real effort to be extra active during playtimes and have designed their own exercise challenges. Our week ended dressed in red to provide much needed support for Comic Relief. We have raised £96.10. Thank you so much for your kindness and generosity.

We end our week with a celebration of success in our Nursery. Mrs Gregory has just received her level 3 certificate in language and literacy for children aged 2-4. The Nursery has also been awarded communication friendly status after completing the communication counts training with the nursery staff team. Congratulations to Mrs Gregory and all her team who do a fantastic job with our very youngest children.
